

**Greater Lansing Area Horseshoe Club
Fall Business Meeting and Awards Banquet
September, 2020**

DUE TO THE COVID-19 PANDEMIC THE 2020 SANCTIONED LEAGUE SEASON WAS CANCELED

On 4/25/2020, President Kamm posted on the GLAHC website a poll to vote on the preference to continue or cancel the 2020 sanctioned league pitching season. The poll was closed on 5/15/2020 and the results were as follows:

The results of the POLL that was placed on the website are in.

Cancellation Of All Leagues; 5 votes

Start A Fun League; 10 votes

Sanctioned League; 2 votes

A total of 17 votes were cast.

Due to the difficulties of running a sanctioned league for 2020, the league will be canceled in its entirety for this year. There will be no formal record keeping. There will also be no club dues or pitching fees collected. There will be no patches, trophies or other awards given out this year. No banquet will be held.

We hope to get the 2021 season started without a hitch next year.

Because there are several members who would like to pitch in a "fun league", one could be started with caution. If a "fun league" is started, please pitch with personal safety in mind.

The south side of court 4 has a broken stake.

Therefore, as a result of the poll, neither a Business Meeting nor Awards Banquet were held for the 2020 season.
