Becky Sullivan was appointed to be recording secretary because our elected secretary did not join this year.

**WORLD TOURNAMENT** – After much behind the scenes work for the last few years, the NHPA has chosen Lansing to host the 2023 World Tournament. The tournament will be held in Lansing Center downtown. We are in the process of developing a new online presence to promote the event. We will be working with the Greater Lansing Sports Authority and the NHPA to get the tournament promoted and started. The semi trailer with all the tournament equipment is already here in Lansing and will be stored until next year. The trailer will be moved to the Lansing Center just before the tournament courts are to be set up. We will be looking for many volunteers to help set up before and break down after the tournament. We are anticipating that this will be one of the most attended World Tournaments ever.

**OLD BUSINESS** – none

**NEW BUSINESS** – President Randall Kamm passed out the proposed Constitution and By Laws changes and explained all proposed changes to the membership.
