Congratulations! MHPA State Champions

Cadet
Bryce VanCleave

Men
Andy Adams

Women
Denise Daly

Elder
JD Drake

The distinctive clang of metal horseshoes hitting the stakes and one another punctuated the other sounds during the 2023 MHPA State Tournament. It was a beautiful weekend in Jackson and a great tournament. Congratulations to all the state and class champions, and award winners.

Denise Daly, was crowned the second-time women's champion, after a three year hiatus. Challengers Lisa Smith, Brandy Morehead, and Helga Hewlett finished in that order.

Andy Adams was crowned first-time men's champion, over defending Champion James Dunlap, and challengers Quincy Johnson, Keith Schafer, Narone Parker and Greg Burke.

JD Drake continued his string of Elder's championships followed by Clip Connin, Danny Markley, Dennis Soldan, Douglas Bailey and Paul Bachelor. It was JD's 11th consecutive championship.

Bryce VanCleave is the Boy's champion.

A big thank you to the Tournament Committee of Josh Lull, President/Tournament Director; Brandy Morehead, 1st Vice-President; Zachary Spanke, 2nd Vice-President; Pam Nelson, Secretary/Treasurer and Tournament Statisticians Keith Schafer and Josh Lull. And to Shift Directors: Brandy Morehead/Keith Schafer and Josh Lull/Zachary Spanke.

Also, to the Jackson County Horseshoe Club for all their hard work in putting on such a great event. With a multitude of great volunteers and scorekeepers, we were able to cover all shifts.

No one was inducted into the MHPA Hall of Fame this year.

President's Report

Josh Lull

Well my first year is almost in the books. Time sure has gone by fast. I would like to thank all of my fellow officers and our membership for all of their help and grace as I've navigated my first year.

I will continue to encourage all of our members or even possibly new members to share thoughts, ideas, concerns with me or my fellow officers. Everyone should have the chance to be heard and we all share the same goal. Continue to grow and share this great game with future generations.

I was bit surprised at the lower than expected participation at our 100th state tournament. Thanks to the hard work of many and some generous donations we nearly gave out double in cash and prizes compared to years past.

I want to again thank the Jackson Horseshoe Club as well as anyone else that had a hand in running a successful state tournament this past year.

For those that were not in attendance or maybe have not heard there were also some rule changes that will go into effect starting January 1.

Just a note, we are continuing to work on filling dates for the 2024 schedule. We will have that out very soon. As well as the outcome for the rule change proposals that were voted upon at the State Tournament Meeting.

Here is to another great year in 2024!

We are looking to fill the position of Secretary-Treasurer, immediately.

If you might know of someone interested let Josh know and he will be glad to contact them or even have them call him.

"Even someone that we feel would make a good candidate I'd really like to talk to them." —Josh

Anyone looking to buy a membership or renew in the near future should do so on the web.

RD/Statistician Report

Keith Schafer

As you now know, I will relinquish the positions of Regional Director, acting Publicity chair and Statistician on December 31, but will remain as the Historian for a while until those files are ready to be handed over. Zach Spanke has stepped up to fill the Regional Director position and will take over for me. Thanks, Zach!

Don't worry, Zach can always reach out to me or Josh for any issues he needs help with as he gets up to speed. The Statistician position has been streamlined somewhat with the use of HSMaster and the token process, and downloadable reports from Eshoe. The statistics for 1992 forward have been taken from the old individual sheets and will be available on the "Hall of Fame computer". There are some gaps in the old sheets, especially some missing from 1999, but I will continue to look for old results to fill those gaps, and in the 1991 and prior data, let me know if you have anything laying around to help build a fuller database. That includes the information from the Upper Peninsula charter that began in the year 1970 and continued into the early 1980s, which will be forwarded once that is more complete. Josh Lull will be building reports to get information from this data, and the data is being set up in the same set-up as the Eshoe reports for ease in updating. It has been an experience getting all of this put in there, but also fun to see the changes that have happened in the past 30 plus years.

Tina and I will be spending 7 or more months in Florida each year, and I think that someone up here will do fine in keeping our association running. I will miss the work but will also enjoy just going to tournaments and only worrying about pitching.

See you at a future tournament!

Michigan Horseshoe Pitchers Association
August 26, 2023
Board Meeting Minutes

Meeting called to order by Josh Lull at 7:20 PM.

Pledge of Allegiance, led by Brandy Morehead, said by all.

4/30/2023 Board Meeting Minutes read by the Sec/Treas. and approved by all.

Financial and Membership reports read by Pam Nelson, Sec/Treas. and approved by all.

Reports of Officers

Josh Lull, President

We would also take this opportunity to congratulate and thank Helga and Jim Hewlett for expanding the visibility to the MHPA.

The board would also like to thank Tina Payne for her promotion of horseshoes.

The board also posthumously recognized Jay McCanham for his contribution and promotion to the game of horseshoes in the state of Michigan.

Both Tina and Jay (family or significant other) will be given a plaque to commemorate the recognition.

Welcome all. Hope you are all enjoying the State Tournament. The World Tournament was a great success. The NHPA congratulated the MHPA for a job well done and for hosting the tournament this year. The NHPA would also like to thank Lansing for the excellent job of hosting the tournament.

1st VP, Brandy Morehead - see attached by-law update from Brandy.

2nd VP, Zach Spanke - nothing to report.

The Woody Cup Challenge

It was a sporting showdown unlike any ever before seen. The St. Clair Shores Horseshoe Club finally won back the cup. It was their first win since 2009. Hosted by the Lake Orion Horseshoe Club in the 20th season with only 2020 being skipped due to Covid. The event started at 11 a.m., Sept 16, 2023 with everyone helping themselves to a delectable lunch, signing up with their team captains, paying the entry fee and donating to the MHPA designated charity, St Jude.

Thirty-six competitors, plus guests, gathered for "The Woody Cup Challenge" tournament with competitors of all abilities gracefully throwing horseshoes. There was plenty of good-natured trash-talking. This 20th annual charity horseshoe tournament featured three clubs: Lansing, Lake Orion and St. Clair Shores.

It was close scoring until the end of the event. SCS with 29 points, LO with 25 and Lansing with 18.

This year \$1611 was raised (a record) which brought the total to over \$11,000. The winners have their names placed on the traveling cup that emulates the Stanley Cup in hockey.

Established in 2004 as the Michigan Horseshoe Pitchers Association league championship tournament and later to include non-sanctioned leagues. With the Woody Cup Challenge being open to all Michigan Horseshoe Pitchers Association Club Leagues, upwards of six clubs have been represented at the annual tournament. Berkley, Lake Orion, Lansing, Lincoln Park/Romulus, St. Clair Shores and Taylor have been participating teams.

Mike Ardelean (deceased) of the Lake Orion Club, the SCSHC, Juanita and Larry Woods, former owners of LDJ Trophies, created The Woody Cup Challenge. Mike is also credited with the tournament name. The purpose of this event is to

raise money for a charity, to make the public aware of the fun of pitching horseshoes, meeting our friends, making new friends and enjoying the great game of horseshoe pitching.

This trophy is presented annually to the MHPA league champion to create an awareness of local clubs, MHPA, NHPA, promote youth participation, and encourage membership in organized horseshoe pitching. The Cup is to be displayed promoting local clubs and State Horseshoe Pitching.

The St. Clair Shores Horseshoe Club will host "The Woody Cup Challenge" next year on Sept. 14, 2024. We are looking for more teams to participate in this event.

2023 Fall Meeting of Passed and Failed Bylaw Change Proposals

Article II - Section 7 - Currently Reads:

Section 7. The Constitution and By-laws, Rules and Regulations may be revised by submitting changes at any membership meeting or sent to the chairperson of the Constitution and By-laws Committee by July 15. Such proposed revisions shall be published in the MHPA's August newsletter. All proposed revisions shall be voted upon at the State Tournament meeting. Any additions, deletions and/or changes shall be approved by a two-thirds vote of members present at the meeting and shall become effective January 1 of the following year. The president may at his/her option, have the State Tournament meeting later if tournament scheduling or other unforeseen reason does not allow proper time for the meeting to be held during the tournament.

Proposed Change:

The Constitution and By-laws, Rules and Regulations may be revised by submitting changes at any membership meeting or sent to the chairperson of the Constitution and By-laws Committee. **All proposed revisions shall be voted upon at the either of the annual membership meetings. The spring meeting or the fall meeting during the State Tournament. The deadline for submitting for the spring meeting will be March 15. The proposed revisions shall be published in the April newsletter (Spring Meeting) and the August newsletter (State Tournament) meeting.** Any additions, deletions and/or changes shall be approved by a two-thirds vote of members **present at the Spring or State Tournament meeting. (Each individually, attendance at one meeting does not constitute attendance nor a vote at the other).** Those approved at the **Spring Meeting shall become effective the first of the month following the Spring Meeting.** Those approved at the State tournament meeting shall become effective January 1 of the following year. The president may at his/her option, have the State Tournament meeting later if tournament scheduling or other unforeseen reason does not allow proper time for the meeting to be held during the tournament.

Reasoning for Change:

The deadline for submitting for the State Tournament meeting July 15. Help encourage the MHPA membership to attend the spring meeting while at the same time encouraging their voices to be heard. The additional vote would also allow the MHPA to be more flexible to member concerns or changes to keep the quality of the game and experience at the highest possible level. Especially when it comes to state tournament issues.

Article VII - State Tournament Section 7 – Currently Reads

Section 7. Any club that meets the requirement of 18 lighted courts should be able to host the singles state tournament. Voting will take place during the meeting at the state tournament. If there is no host club for the singles state tournament, the executive council will then contact qualified clubs and award one of them the tournament. Only the MHPA will be allowed to do 50/50 raffles during the State Tournament to supplement the prize money.

Proposed Change:

Any club that meets the requirement of 18 lighted courts should be able to host the singles state tournament. **(Remove the portion in regard to voting taking place during the meeting.)** The executive council will contact qualified clubs and award one of them the tournament. **The MHPA will decide how 50/50 raffles are conducted and by who during the State Tournament to supplement the prize money.**

Reasoning for Change:

The MHPA is currently not in a position where voting is necessary to decide who hosts the state singles tournament. Let's hope in the future the MHPA is able to get back to where that is a valid concern. At that time a re-instating a vote would be completely valid to make sure not favoritism is shown, and the joy of the tournament is shared. Currently the MHPA only has a couple of locations. In regard to the 50/50 raffle this allows the MHPA to be more flexible in possibly trading the conducting and proceeds of the raffle for possibly a more lucrative benefit in increasing the prize payouts at the State Tournament.

Section 8 – Currently Reads

This association shall award the Junior Boy and Junior Girl State Champion a \$100 scholarship each. These scholarship monies shall be awarded upon a college, university or trade school's letter of enrollment to the association. This award must be claimed before their twenty first birthday. Junior and Cadet players are to pay the State Tournament entry fee. They will be eligible to receive monetary awards for the class pitched in.

Proposed Change: Addition of a sub-section. An exception to Section 8.

Continued on next page

A. In the event that either the Junior Boy or Girl are the only one in their class at the state tournament, they are given an option to be classed in a 30' group thus relinquishing eligibility to be the junior boy or girl champion for that year. However, they are eligible for the plaques and monetary awards in that 30' group. This option is only given when either that Junior Boy or Girl are the only participant in their class in the state tournament. If the Junior Boy or Girl declines the option of pitching in a 30' group, they will be awarded the scholarship. (Tournament entry fee refunded) However, they are then only allowed to pitch as a pacer in another group/class. Not eligible for awards and or plaques.

Reason for Change:

This gives the MHPA and the junior pitcher some flexibility when it comes to an issue that has been a struggle for some time. We want to provide competition but also conduct it in a way that is consistent with the rest of our groups/classes. With the very unstable participation at the junior levels this flexibility would allow the MHPA to provide a competitive experience with award eligibility if the junior pitcher chooses to do so. I believe it is also important to keep in consideration that we need to keep these juniors at 30' and also recognize we would be in a bit of dicey situation in regards to of Rule 1 Pitching Divisions Section A subsection 2,3 of the RGS. Our use of the mix classes is where I believe we can allow them to play without relinquishing their junior status.

Article VIII - State Doubles Tournament: Section 10 – Currently Reads

The cost of the cookout/potluck meat will be paid for by the MHPA.

Proposed Change: Remove section 10 completely.

Reasoning for Change:

The MHPA is currently not in a position to allow for a blank check purchase of a “meat” dish for either of its two state tournaments. This is not a consideration nor a rule for the State Singles Tournament. Why the State doubles? Treat the State doubles tournament just like the State singles tournament. The cost liability must be taken on by the host club. The financial position of the MHPA improves enough to consider handling the cost of the meals at our State Championships this topic could be revisited as a policy.

Article VI: Tournaments - Section 11 – Currently Reads

All MHPA sanctioned tournaments shall be 35 point cancellation. Any game at a state singles tournament between two pitchers with a 25% or lower ringer percentage shall play to 30 points or 60 shoes, whichever occurs first. Any game at a district tournament between two pitchers with a 25% or lower ringer percentage shall play to 35 points or 50 shoes, whichever occurs first. In case of a tie game the pitchers shall pitch down and back (four shoes) until a winner is decided. If a class consists of only 5 players at a district tournament, they will be allowed to pitch to 40 points. The 25% rule would remain the same.

Proposed Change:

All MHPA sanctioned tournaments shall be 35 point cancellation. **Any game at a state singles tournament between two pitchers with a 25% or lower ringer percentage shall play to 25 points or 50 shoes, whichever occurs first. Any game at a district tournament between two pitchers with a 25% or lower ringer percentage shall play to 25 points or 50 shoes,** whichever occurs first. If a class consists of only 5 players at a district tournament, they will be allowed to pitch to 40 points. The 25% rule would remain the same.

Reasoning for Change:

It seems that one area we see lack of scorekeeping is when it comes to classes were the pitchers are predominantly under 25%. Games are longer (If they get closer to the shoe limit and less exciting due to lack of dead ringers and lower scores) 25 points is an amount that is quite achievable by most pitchers under 25%. Games feel exciting because there is a good chance either participant is going to reach that amount and simply outlast the other by hitting the shoe limit. In my opinion the move to 30 pts was in the right direction but the at the same time moving to a 60-shoe limit was a bad idea. Both decisions together cancelled each other. Now one could argue the MHPA has plenty of games with pitchers both over 25% that go over 50 shoes. Well Yes, we do. However, that usually means both pitchers are pitching well and the game includes a fair number of live and dead ringers for a competitive game. With the higher competition when one pitcher is not pitching well that game will most likely be quite short. (In terms of time and innings) A good chance with pitchers under 25% if one is not pitching well the other does not pitch well enough to shorten that game. (In terms of time and innings) Really an idea to help shorten our time a bit and make the game more exciting for all.

Article VII: State Tournament Section 4.

"While pitching, all participants of the State Singles Tournament shall wear a shirt or blouse with their last name professionally lettered on the back."

Proposed Change: Add to the Article VII: State Tournament Section 4 of the MHPA Bylaws to include "sleeveless shirts **allowed** excluding cutoffs, and spaghetti strap tank tops."

Reason: Currently the MHPA bylaws does not specifically state "no sleeveless shirts" allowed, only the NHPA rules identify no sleeveless shirts for the world tournament and **may** also be **adopted** into any Charter Bylaws or **may be** enforced at any State Championship Tournament or at any local tournament, **if announced in advance by the Tournament/League Officials**. Contestants who do not comply may not be allowed to participate in the event".

Any MHPA club that meets the requirements of having 12 similar courts may be able to host the Doubles State Tournament. Bids will be accepted at the fall scheduling meeting. If more than one club bids, Tournament Directors present will vote to award the club. The club must be able to host a cookout/potluck meal in between the morning and afternoon sessions.

Proposed: Remove **The host club must add \$200.00 to the prize money**. Only the host club will be able to run 50/50 drawings during the tournament.

Reason: This sentence should be dropped because the host club is doing enough by hosting the doubles tournament.

Section 10.

A new member or a member who does not have an established ringer percentage shall pitch 100 qualifying shoes that must be witnessed by 2 NHPA members or use a NHPA sanctioned league ringer percentage based on **four hundred (400) or more shoes**.

Reason: The NHPA changed this a few years ago to 200 shoes.

Proposed by Dean Schmitz

Appendix A: Miscellaneous Rules

A. Copies of rules, regulations and the Constitution and By Laws shall be given to all new members and published in the newsletter each year for current members.

B. **Jean Swarthout**, Dick Frakes, Paul "Dewey" Howard, Bob Wells and **Paul Wishon** are granted lifetime membership to the MHPA. (Lee Jacobs will forever remain on the active membership rolls.)

Proposed Change: Remove Jean Swarthout and Paul Wishon from Bylaw and add Judy Curtiss

Reason: Jean and Paul are deceased. I believe Judy Curtiss is on this list. It should be updated.

Reason: There are a number of pitchers who do not like walking doubles. Most of our pitchers have pitched in bar leagues or doubles recreation leagues with all pitching non-walking doubles. They are used to throwing their partners shoes. This should be an added interest to the schedule. In regular doubles, both team members use the same pair of shoes, and all contestants stay at the same end of the court for the entire game. To begin the game, the highest-rated contestants will decide on the first pitch and deliver their shoes, just as in singles competition. Count-all scoring. No handicap.

NO NEED, AS THE NHPA ALREADY ALLOWS FOR THESE TYPES OF TOURNAMENTS.

Section 2

The combined NatStats average of both players must not exceed 100.

Reason why to change it: I feel like we will get more players into the state Doubles if we lower it. Also it would make classes more fair and even.
